

BUCKINGHAM ELECTRICAL

Buckingham Electrical are Master Electricians and members of Electrical Contractors Association of New Zealand, providing electrical services to Auckland since 1976.

Residential

We carry out all electrical repairs and maintenance on new and old housing. We specialise in upgrading old Villas and Bungalows to 2014 requirements for Insurance purposes. We also wire new housing.

Commercial

We are experienced in Electrical Maintenance in commercial premises and new fit outs, upgrading and wiring new factory units.

Property Management

We work for several of the larger Body Corporate and Property Management Companies throughout the Auckland area.

Electric Vehicle Power Point Installation

We install power points for recharging electric cars and bikes.
